

Sunday, March 18th

8:30am-9:00am	<u>Pre-Meeting Breakfast</u>
9:00am-4:00pm	<u>Board of Directors Meetings</u> Transportation & Logistics Council, Inc.
9:00am-5:00pm	<u>Optional Seminars</u>
	1. CONTRACTING FOR TRANSPORTATION & LOGISTICS SERVICES Presented by Raymond A. Selvaggio, Esq. An intensive workshop on the practical and legal aspects of contracting for both purchasers and providers of transportation and logistics services. Includes a review of important legal principles, statutes, regulations and a "walk through" and in-depth discussion of actual contract provisions, terms and conditions.
	2. FREIGHT CLAIMS IN PLAIN ENGLISH Presented by Gerard F. Smith, Esq. Based on the recently-published 4th Edition of the text by George Carl Pezold & William J. Augello, this session covers basics of carrier liability, bills of lading, burdens of proof, defenses, damages, limitations of liability, time limits, liability of freight forwarders, intermediaries, warehousemen, air and ocean carriers.
	3. TRANSPORTATION, LOGISTICS AND THE LAW Presented by Brent Wm. Primus, JD This unique one-day course based upon Bill Augello's landmark text is designed to provide a basic working knowledge of the laws and regulations affecting the supply chain and those governing the relationships between the parties -- shippers, carriers, and intermediaries. This is the vital information you need for minimizing risks and protecting revenues for your organization, and for your own individual professional growth.
	4. CCP PRIMER CLASS This is a fast paced review that covers a broad base of subjects to help those preparing to take the Certified Claims Professional (CCP) exam. Attendees must apply and receive pre-qualified approval from CCPAC in order to take the CCP Primer or the Exam. The CCP Exam will be administered on Wednesday immediately following the close of the Conference. Information and pre-qualifications requirements can be found on the CCPAC website at www.ccpac.com

Monday, March 19th

7:30am-8:30am	<u>Pre-Meeting Breakfast</u>	
7:30am-5:00pm	<u>Registration</u>	
7:30am-5:00pm	<u>Exhibits</u>	
8:30am-10:00am	<u>General Session I</u>	<u>THE TRANSPORTATION INDUSTRY - UPDATES & TRENDS</u> Leading representatives from industry and the trade press will provide an overview of critical issues facing the transportation and logistics industry – the economic outlook, effect of consolidation and mergers in all modes of transportation, the Internet and demise of retail stores, funding for infrastructure, the impact of recent legislation and regulatory initiatives, and administration policies affecting international trades.
10:00am-10:30am	<u>Mid-Morning Break</u>	
10:30am-12:00pm	<u>Workshop 1</u>	<u>TRANSPORTATION OF FOOD AND DRUGS</u> This session will cover recent new laws and regulations, including implementation of the Sanitary Food Transportation Act of 2005 and the FDA Food Safety Modernization Act of 2011, and what shippers, carriers and receivers are doing to ensure that their practices and procedures are in compliance with the new requirements. Panelists will also discuss some of the common issues involving transportation of food and drug shipments such as broken seals, contamination, salvage, and will suggest “best practices” to avoid typical problems.
10:30am-12:00pm	<u>Workshop 2</u>	<u>OUTSOURCING; DEALING WITH CONTRACTORS & INTERMEDIARIES</u> Many companies are “outsourcing” transportation and logistics functions that are not part of their core business to take advantage of the skills and resources of third-party service providers. However, in addition to the benefits there are risks and disadvantages when contracting with a 3PL, broker, freight bill audit and payment company, or other intermediary. Panelists will discuss current issues involving brokers, freight forwarders and 3PL’s; liability for freight charges, cargo loss and damage, surety bonds and insurance, “double brokering”, liability for “negligent hiring”, and how the parties can protect their interests.
12:00pm-1:30pm	<u>Luncheon - Guest Speaker:</u>	
1:30pm-3:00pm	<u>General Session II</u>	<u>LAW OF THE LAND, LAW OF THE JUNGLE</u> A continuation of the ever-popular annual session where “Lawyers Explain the Law, and Businessmen Tell It Like It Is
3:00pm-3:30pm	<u>Mid-Afternoon Break</u>	

3:30pm-5:00pm	<u>Workshop 3</u>	<u>INTERNATIONAL TRADE - WHAT IMPORTERS & EXPORTERS NEED TO KNOW</u> Panelists will give an overview of major issues affecting international trade such as the aftermath of the Hanjin bankruptcy, global carriers alliances and their impact on capacity and rates, the political situation - protective trade policies and tariffs, and changes to NAFTA that could affect cross-border commerce with Canada and Mexico. Attendees will learn the basics of what importers and exporters need to know about the different types of service providers, international treaties and laws governing cargo liability, and compliance with CPB security initiatives and regulations. Common problems and how to avoid them will be discussed with suggested "best practices" for shippers, carriers and intermediaries involved in air, ocean and cross-border shipping
3:30pm-5:00pm	<u>Workshop 4</u>	<u>WORKING TOGETHER TO SAVE \$</u> Shippers and carriers working together to solve common problems can result in savings of time and money for both parties. Panelists will discuss carrier complaints about waiting time for loading and unloading, unreasonable transit time demands, penalties for missed pickup and delivery appointments, etc. and some of the solutions - drop trailers, "drop & pick" arrangements, modifying shipping schedules, more flexible shipping and receiving hours; use of night shifts and overtime, avoiding peak highway congestion.

Tuesday, March 20th

7:30am-8:30am	<u>Pre-Meeting Breakfast</u>	
7:30am-5:00pm	<u>Registration</u>	
7:30am-5:00pm	<u>Exhibits</u>	
8:30am-10:00am	<u>General Session III</u>	<u>HOW GOOD IS YOUR SECURITY PROGRAM?</u> We once worried about bandits with masks and six-guns - and we still have plenty of old fashioned hijackings and theft that cost shippers and carriers millions every year. But the crooks and thieves have become smarter and more sophisticated. We now have identity and impostor theft and cyberattacks with hackers getting access to critical personal and business data. Panelists will discuss these threats and give tips and advice on what you can do to minimize exposure and improve your security programs.
10:00am-10:30am	<u>Mid Morning Break</u>	
10:30am-12:00pm	<u>Workshop 5</u>	<u>IMPACT OF NEW LAWS AND REGULATIONS</u> Panelists will review the status and impact of recent federal laws like MAP-21, the Fixing America's Surface Transportation Act (FAST) as well as regulatory initiatives and mandates such as Electronic Logging Devices (ELD's), speed limiters, driver coercion rules, Hours of Service (HOS), changes to the Compliance, Safety & Accountability (CSA) program and Safety Fitness Determination (SFD) methodology. Also covered will be new state labor laws and regulations affecting classification and treatment of independent contractors, as well as environmental standards and regulations since they increase the cost of doing business in those states and have serious consequences for both shippers and carriers.
10:30am-12:00pm	<u>Workshop 6</u>	<u>INSURANCE AND TRANSPORTATION CONTRACTS</u> Insurance is a major expense for most any business. What kinds of insurance do shippers, carriers and brokers really need? Panelists will discuss identification and analysis of the risks, how to determine what to look for when purchasing insurance or specifying the coverage your service providers should have, and the allocation of risk through transportation contracts with typical contract provisions and requirements.
12:00pm-1:30pm	<u>Luncheon - Guest Speaker.</u>	
1:30pm-3:00pm	<u>General Session IV</u>	<u>TRANSPORTATION ATTORNEY PANEL</u> Leading transportation attorneys will address current court decisions and legislation impacting shippers, carriers and intermediaries – loss and damage claims, freight charge disputes, multimodal issues, liability for highway accidents and other current issues.
